How to get to MOUNTAIN LODGE-LA JUNTA Lodge and Camping (on foot)

If coming with your own/rental car

- From Puerto Varas, take Ruta 225 toward Ensenada
- At the fork after Ensenada, stay on the right - toward Cochamo / Río Puelo. (**Do NOT take** the left toward Petrohué.)
- Continúe for another 45 kms; pass through Cochamo; continue for another 4 kms.
- Just before the bridge across the Rio Cochamó, take a left onto the dirt road that says El Valle ro El Arco / Paso León.
- Drive for another 5 - 6 kms to get to the parking lots on private land.

Buses and/or local taxis

Public buses depart from the terminal in Puerto Montt 3 - 4 times a day and they pass by Puerto Varas also. The signs on these buses will say Ralun / Cochamó / Río Puelo.

To get to our **la Montaña Lodge La Junta** take the bus to the village of Cochamo **OR** to the bridge on the Río Cochamó, where the road/trail into the valley begins.

- **If you go to the village**, get off along the main road or in "Pueblo Hundido" – and ask around for a local person to drive you to the trailhead of El Morro.
- **If you take the bus up to the bridge on the Río Cochamó**, during January/February, there are usually local people waiting there to drive visitors to El Morro (6 kms on the dirt road.)

From the trailhead to Campo Aventura Mountain Lodge-La Junta

1. From El Morro, there is basically one main hiking trail that goes through the rainforest and up to the La Junta Valley.
2. After approximately 12 kms, you come out of the trees into a more open area – where you can see the big, granite mountains of La Junta around you.
3. Keep going for about 15-20 minutos more until you get to a big wooden gate across the trail, with a sign that says: "La Junta-15 minutos" (This is referring to another camping site.)
4. **Do NOT pass through this gate! But look to your right – and you will see a sign for Campo Aventura.**
5. **Turn right at this sign** toward the river and you will see **our cable car with a blue rope**, with another sign for Campo Aventura.
6. Use this cable car (one person at a time) to cross the Rio Cochamó to our Mountain Lodge property.
7. After crossing, walk another 200 meters to our Mountain Lodge to meet the host. Show your Voucher, make the payment (if needed), and the host will show you your campsite.
